

Some earlier IVC weekends, holidays etc. (Just all the ones that I went on).

Farmhouse = Llwyn-onn Isaf, Near Barmouth.

(An isolated primitive bunk-house leased by BIVC from 1957-93)

There were about one organised weekend a month for Birmingham IVC members and an equal number for other clubs such as AIVC.

At other times Birmingham members went *ad hoc*.

Until 1993 there were few hostel type weekends as we mainly went to the farmhouse. There were about two visits a year to the Manchester Rucksack club and a few stays in hotels.

(italics = in bulletin but not booked by IVC)
